CHALLENGE Off Road 'Outback' Deluxe

Home Comforts in the Bush

The Challenge Camper Trailer caters for the medium and the large family and also the camping enthusiast. Campers on the *RUN* have the campers to suit all situations. Camping is fun and you can do it in luxury with a Challenge Camper Trailer from Campers on the *RUN*. Here's why –

The 3 metre (10 foot) tent

- Sleeps up to 5 people.
- Queen size bed with 6" high density foam mattress.
- The living area is a large 2.2m X 3m with a door on either side.
- Large windows over the bed and in the living area.
- The zip on awning is a spacious 1.8m X 5.0m.
- Includes a zip on enclosure to the kitchen area.

The 4.4m (14foot 6 inch) tent

- Sleeps up to 7 people.
- Queen size bed with 6" high density foam mattress.
- The living area is a huge 2.2m X 4.4m with a door on either side.
- Large windows over the bed and in the living area.
- The zip on awning is a spacious 1.8m X 8.4m.
- Includes a zip on enclosure to the kitchen area.

As for the kitchen - it's luxury at its best for camping in the bush.

- Powder coated kitchen.
- The kitchen is attached to the tailgate.
- Fold away preparation tray.
- Wind guards used as preparation areas.
- Stainless steel 2 burner stove with grill.
- Removable plastic bowl/sink.
- 4.5kg gas bottle
- Fire extinguisher.

And there is even more – That's right lighting! There's nothing better than lights on that cold wet wintry night or when that sudden unexpected cold blustery change comes in.

The lighting package consists of:

- A heavy duty battery that last for up to a week.
- The trailer has two 12 volt outlet sockets.
- 2 internal lights to the cargo area of the trailer.
- Tent light with a 2.5m cable and an external light for the awning.

The Challenge trailer is a durable off road trailer that surpasses most people's expectations for a trailer in this class. It includes:

- Treg Polyblock Override Coupling.
- Hydraulic/Mechanical override breaks.
- Complete front storage/tool box.
- Stone guard.
- Dust resistant zippered cover.
- Access through the tailgate and a lockable side access hatch to the trailer.
- Facilities to hold three jerry cans of water/fuel.
- 4.5kg gas bottle.
- An 86 litre water tank.
- Gas strutted lift up bed giving easy access to the trailer for packing.
- 3 large plastic storage boxes.
