- 4.5kg gas bottle with twin regulators with gas lines with quick connect coupling
- Fire extinguisher

The lighting package consists of:

- 70Amp battery
- 2 internal lights to the cargo area of the trailer
- Tent light and an external light for the awning

This is a durable ON ROAD camper trailer that surpasses most people's expectations for a trailer in this class. It can be towed behind conventional vehicles or Sports Utility Vehicles (SUV's). It includes:

- Swivel ball coupling
- Painted toolbox
- Mechanical brakes
- Stone guard
- Dust resistant zippered cover
- Access through the tailgate and a lockable side access hatch to the trailer
- Facilities to hold three jerry cans of water/fuel
- 4.5kg gas bottle
- Water tank with 64 litre capacity
- Gas strutted lift up bed giving easy access to the trailer for packing

*Call Rick, Sue or Dennis on 9256 3450 or 0417 332 247 immediately
